We can produce a wide range of styles appropriate for children, teens or adults using many different types of materials including but not limited to wood, metal, plastic and glass.

Signage is an integral part of a library for patrons and staff. We offer signage solutions for all areas of a library and in a wide assortment of materials. Signage solutions include:

- End panel signage
- Wall signage
- Hanging signs
- Applied lettering
- Outdoor signage
- Address lettering
- Media signage

Our shelving systems are designed to store and display a wide variety of printed and digital media for libraries. The lines are clean, simple, extremely flexible in application and exceptionally stable. Based on timeless scandinavian design tradition, our product offering has been embraced and installed worldwide.

State of the art machinery and advanced engineering are key ingredients of our shelving systems. Skilled designers, engineers and

fabricators come together to create flexible solutions for your changing environments.

- Cantilevered shelving
- A-frame shelving
- Curved shelving
